Srinivasalu Real Estate & Construction is a company which works with intensified focus of providing people homes that confirm to their tastes and style. Our motive is to bring more transparency in the field of Real estate, our purpose is to materialize people's needs for living space that is not only comfortable but enjoyable too free from all sorts of tension and our foundation is our quality.

Now the company is going to start a new project that is a Holiday Resort. Where peoples and families intend to spend their holidays or weekends for relaxation or recreation..

At Gopu Hill View Resort the objective of construction team is to adopt appropriate construction methods using quality materials and technical. Unique beautiful elevation, maximum space utilization, quality construction and a fresh and green environment. The company invites suggestions from every visitors in designing to a good needs and satisfactions. The company will try to make a best resort for people to spend more time with family and make their life cheerful and memorable.

A resort is a place where families intend to spend their holidays or weekends for relaxation or recreation. Usually resorts are commercial establishments like hotels which are managed by companies.

People in urban areas are especially busy all through the week and look for ways to refresh and rejuvenate themselves. Resorts are the perfect for such people who can apply spend time with their families and also getaway places for birthday and theme parties. They are usually located away from the hustle bustle of cities and towns. People can go for long drives and reach the resort which is generally self contained.

The project Gopu hill view resort combined with right location and modern comforts with natural environment and equipments where life is enjoyable in a tranquil environment. The project in the one stop solution to provide people the stylish and sophisticated living at affordable cost with all modern facilities like entertainment, sports, park, swimming pool, private pool, gardens, children play area and sufficient parking space. Gopu Hill View Resort is very near to the town from berhampur. the project is situated in a very close distance from market, hospital, bus stop, railway sation and highway.

Gopu Hill View Resort is a full-service lodging facility that provides access to or offers a range of amenities and recreation facilities to emphasize a leisure experience. This resort serve as the primary provider of the guests" experience, often provides services for business and meetings and are characteristically located in vaction-oriented sittings.
